- Our SuperStream portal allows you to set up new employees and manage existing members quickly and hassle-free.

Access to a free clearing house facility

- We can manage the distribution of your employees' funds.

Excellent support at every step

- Our experienced team is available to answer your questions, cutting down the amount of time you spend figuring out superannuation admin. Whether you prefer phone, email, or a face-to-face meeting, we're there for you.

Workplace visits

- We can speak with your staff about general superannuation issues, answer questions or tailor a session to a particular topic.

Transparency is important to us. We provide all of these services without any additional fees.

What we can do for your staff

Low fees and strong investment returns are just the beginning of the value we offer our members. We provide a range of services to help members plan for their financial future, including:

- Schemes to assist members in transitioning to retirement and accessing pension funds once retired
- Flexible and cost-efficient death and disability insurance options
- Online educational tools to help members manage their super and understand how to maximise their financial situation
- Complementary limited financial advice services and low-cost, comprehensive financial planning options
- Workplace visits and seminars to learn about changes to superannuation that could affect your staff members and ways to maximise their retirement planning
- Access to special banking services through ME Bank and discounted health insurance through GMHBA.

An ethical and reliable fund

We have partnered with Catholic agencies since 1981, helping schools, healthcare, aged care, and the clergy make informed superannuation planning decisions. We offer a Socially Responsible Balanced investment option for members who are interested in a sustainable and ethical retirement path.
